Mommy dear, well, the suspense is over. I got credit in everything and now I can order my Wellesley pin for which Anna and Helen gave me the money. When I come home Easter time I am going to wear it in my neck where Mrs. Wilson and Miss Wilson wear theirs. well be triplets won't we?

We have to visit the model Kindergarten right next to us, for Education <sup>so many</sup> time this week. quite a number of us used this

morning. Everything was so fascinating we hated to leave in time for class. It is a new building - finished this summer, everything is done in brown - immaculate in its appearance. The head of it is quite noted and she surely is a wonder. It is used as sort of a training school for girls doing graduate work here, so that practice helps along the theory.

We are having sort of a blizzard out doors. I am glad I didn't have to go out. I am missing a Deutscher Verein meeting, but it would take more than that to get me out this awful weather.

Goodnight, my blessing  
your David
